### Testimonials

**Malcolm Horsey Cheltenham. UK.**

*"Since I joined VWD not only have I had more lotto wins than I've ever had before, I'm actually earning substantial extra income showing friends how to play for FREE".*

**Paul Veverka, England, UK**

*In my 8 years of searching for a way to supplement my income, Virtual World Direct has proved to be the most exciting and unique opportunity. From the moment I joined, I knew this was something special. Weekly wins keep happening and I'm also getting paid for introducing others to the e-Lottery system. Now I'm now earning the equivalent of a good full-time income. Customer service is first class and the literature and website are fantastic. It's truly amazing that this is all happening for only £5.00 a week!"*

**Colin Mitchell, England, UK**

*Within three months of playing the e-Lottery system I had four Lottery wins and £2,846.95 deposited into my Virtual World Direct account. It's not just about winning big but winning regularly.*

**Dan Valter, Canada**

*I joined Virtual World Direct at the end of 2002 and since then I've been a winner dozens of times and seen my business grow between 9 and 20% every month. Now my commissions add up to more than an average employee makes in salaries. The VWD programme is simple, completely global and FUN. The websites and the functionality work Brilliantly. The concept is unique and without competition and the management (Tom and Len) are wise and considerate and on top of significant growth. I am looking forward to many years of prosperity, enjoyment and co-operation with VWD.*

**Maureen Bell, England**

*Since joining the e-lottery multi win syndicate system – with which £5 entered me into BOTH the Wednesday and Saturday draw – I have won an amazing 12 times. My partner has won 4 times and my two cousins in Australia won £245 after being in only 10 days. Now because of the amazing rewards system we are all entered into the Wednesday and Saturday draw FREE of charge. This really is a business for EVERYONE! Most people play the lottery – why not join a system that gives them 88 lines a week that COSTS £5 instead of £88 and a guaranteed WINNING number.*

## Why have this card? Here are Seven great reasons

Here is the **first** reason... If you personally had 44 single line entries in the UK National Lotto on Wednesday and Saturday the cost **per week** would be £88.00, **but** with this little card, you receive 88 single line entries in a multi-win e-lottery syndicate for **just** £5.00.

Here's the **second** reason... **you win** a unique e-lottery prize by **matching** just **two** main lotto draw numbers.

Here's the **third** reason... you **win more** than the usual **£10.00** when you match **three** main lotto draw numbers.

Here's the **fourth** reason... you **win lots more** than playing on your own when you **match four** main lotto draw numbers.

Here's the **fifth** reason ... when you match **four** main lotto draw numbers **plus the bonus ball** the difference in winnings is **enormous**.

Here's the **sixth** reason ... You can play from **ANYWHERE IN THE WORLD!**

VWD winnings to date:

**2458** syndicate wins and **120442** individual wins from only **228** lotto draws

**VWD and the multi-win syndicate system comply fully with the National Lotto terms and conditions of play. Please Note: The '£5,000 income per month' is only one possible income you could achieve if enough of your syndicate's numbers come up in the UK lotto draws, or if your team expands large enough. VWD nor myself claim, in any way, that you will make money by becoming a member. You may make a lot, you may not make a penny. This is NOT a get rich quick scheme.**
